

6 Week Dog Training Course

Course No: TTADT6W

Course Aim:

This interactive course is aimed for puppies over 16 weeks old. Our most popular, loved and well respected course.

A course like no other, both practical and theory based sessions over 6 weeks giving you enough information to either go and practice on your own, or come back and join our good citizen scheme for responsible dog owners.

Course Content:

- Covers how to teach a dog to:
 - Pay attention (watch me)
 - Sit
 - Lie Down
 - Stay
 - Walk without pulling on the lead
 - Leave it & drop it
 - Recall (come back when called)
- How to get your dog to work with you, not against you
- Its all about motivation and rewards
- The 3 secrets to getting an almost perfect dog
- Managing & dealing with unwanted behaviours such as jumping up
- Understanding how dogs learn, and applying this to your training
- Diet, behaviour and health
- Health checks & grooming
- Zoonoses such as fleas ticks and worms
- The law surrounding dogs and how it affects you
- Advancing your training how to put it into place.

A healthy dog over 16 weeks old can attend this course. This course is not suitable for dogs that have behaviour problems such as aggression. Please contact us first before applying.

Feedback from other customers:

"I would highly recommend the 6 week course run by Angela. Our dog Poppy has enjoyed all the lessons and has progressed really well. She thrives on the positive reward based training. The lessons are relaxed, fun and very informative. We even got a host of goodies. 😊"

TAIL TAPPING ANTICS - COURSE ID TTADT6W

6 WEEK DOG TRAINING COURSE

Follow on courses:
